FOREST HEIGHTS SPRING CLEANUP

On Saturday, April 17, 2021 the Town of Forest Heights held its Spring Cleanup, and got an amazing turnout! Volunteers removed trash from Livingston Road, parts of MD-210, Forest Heights Elementary School and Flintstone Elementary School. We had over 25 volunteers out who collected over 30 bags and 200 pounds of material from our roads. We also had a demonstration from members of the environmental nonprofit Alice Ferguson who educated our volunteers on how long common materials take to dissolve, and the importance of keeping our streams and waterways clean. We are thankful for the huge turnout, and for the opportunity to help our community during this time. The Town of Forest Heights would like to thank the Alice Ferguson Foundation for their support, our amazing volunteers, staff, Councilwoman Hines, and Councilman Kennedy who took the time to help our community.

Town of Forest Heights Mosquito Control Notification

The Town of Forest Heights, in partnership with the Maryland Department of Agriculture, has an aggressive mosquito surveillance and spraying program in the town's neighborhoods. Spray season begins on May 26th and is anticipated to end on September 28th. Spraying will begin after dark may continue until midnight or later. You can also do your part to control the mosquito population by eliminating mosquito breeding areas on your property in places where water collects, such as trash cans, buckets, and wheelbarrows, and by changing water in kiddie pools, bird baths, and outdoor pet water bowls regularly. Your community may or may not be sprayed each week. The frequency will be determined by surveillance data collected and complaints received. In order to determine if your community will be sprayed on its scheduled spray night, please contact our office between 2-3 pm that day. You may call or email.

http://mda.maryland.gov/plants-pests/pages/mosquito_control.aspx website.

Spraying will commence as soon as it is dark. As a precaution, we advise residents to stay inside their homes and close their windows while the spray truck is in the vicinity, bring in any pets, and remain in the home until 30 minutes after the spray truck has passed by. If there are people outside when the truck passes by, no spray will be released and the truck will not make another pass down that street. Exemption forms are available upon request.

The Electric Vehicle Charging Station Coming Soon

The Town of Forest Heights will soon be unveiling its charging station at the Municipal Building. Stay tuned for further updates.

From the Town Code Enforcement Department:

Section 11.2-B of the Town Ordinance Code mandates that all yards, lawns, lots, vacant and sidewalk areas immediately adjacent to improved property should be kept clean and from weeds and brush exceeding 8 inches in height.
